## EYEBROW ENHANCING SERUM

### RapidBrow<sup>®</sup> MD EyeBrow Enhancing Serum

helps condition and improve the appearance of fuller eyebrows in as little as 60 days. RapidBrow's unique formula boosts eyebrow density, while adding shine and softness to lackluster brows.

**RapidBrow<sup>®</sup> MD EyeBrow Enhancing Serum Formula with Hexatein<sup>®</sup> MD 2 Complex** is formulated with 6 highly effective ingredients:

#### POTENT POLYPEPTIDES AND AMINO ACIDS

Comprised of beneficial amino acids to help support more voluminous-looking brows

#### VITAL VITAMINS

Biotin, Panthenol and rich minerals join forces to help fortify the appearance of brows

#### KERATIN

A building block of hair which helps boost the protein structure for healthier-looking brows

#### APPLE FRUIT CELL EXTRACT

A revolutionary anti-aging ingredient from the stem cells of a rare Swiss apple that helps create the appearance of more youthful-looking brows

#### SWEET ALMOND EXTRACT

A rich emollient which helps to add shine, sheen and softness to brows
