

# PUMP IT UP!

The creators of award-winning RapidLash® and RapidBrow® are excited to introduce an amazing, scientific breakthrough in the hair care category for women:

RapidHair™ brings improved appearance and revitalizing nourishment to hair weakened by stress, diet, aging or everyday hair care regimen – styling, curling, straightening, coloring and other treatments stripping hair from its essential moisture and bountiful appearance.

RapidHair™ Hair Volumizing Formula is created with a highly effective Hexatein® 4 complex:

**Nano-encapsulated polypeptides**

**Biotin** (Pro-vitamin B7/  
Vitamin H/Coenzyme R)

**Panthenol** (Vitamin B5)

**Silk Amino Acids**

**Sweet Almond Extract**

**Niacinamide** (Vitamin B3)

“After giving birth to my children, my hair and lashes started to appear less youthful. I decided to step up my beauty routine because I wanted my gorgeous hair and lashes back. RapidHair and RapidLash were easy to incorporate during my nightly cleansing and moisturizing ritual. RapidHair truly enhanced my hair’s voluminous appearance and my lashes are now even more stunning. I am so happy with the results!”

— April Osborne

**Q. How is RapidHair™ applied?**

A. Apply RapidHair™ once daily after washing and conditioning hair as usual, or directly onto dry scalp, preferably at bedtime. Dispense two pumps of product directly onto scalp and massage briskly. Do not rinse. Avoid eye area. Wash hands immediately after use.

**Q. How frequently is RapidHair™ applied?**

A. RapidHair™ is recommended to be used once a day, preferably at bedtime.

**Q. Will I get faster results if I apply RapidHair™ twice a day?**

A. No. RapidHair™ is designed to deliver results with a once a day application and additional applications are not recommended.

**Q. Can I use RapidHair™ on my eyebrows?**

A. To improve the appearance of eyebrow density, we recommend you use RapidBrow® Eyebrow Enhancing Serum that is specifically designed to address the appearance of thin, sparse, brittle eyebrows.

**Q. What if I forget to apply RapidHair™ one day?**

A. If you forget and skip an application one day, apply product as usual the next day. However, a consistent routine is the key to maintaining beautiful-looking hair.

**Q. How long will one container of RapidHair™ last?**

A. If applied once a day, one 50 ml container of RapidHair™ is estimated to last approximately 2 months. The yield of the product can vary depending on the frequency and amount of each individual’s product use.

**Q. When should I stop using RapidHair™?**

A. Once you’ve achieved the desired results with RapidHair™, it is recommended to continue using it to maintain the improved appearance and condition of hair.

**Q. What should I do if I accidentally get RapidHair™ in my eyes?**

A. RapidHair™ is intended for external use only and direct contact with the eye should be avoided. In the event of direct contact with the eye, rinse the eye with plenty of cool water. If irritation from direct contact occurs and persists, seek medical advice immediately.

**Q. Can I use RapidHair™ if my hair is colored?**

A. Yes. RapidHair™ can be used on colored hair. We recommend using a hair care system that is specifically designed for chemically treated hair alongside RapidHair™ to better maintain the desired appearance of colored hair.

**Q. Can I use RapidHair™ if my hair is permed or straightened?**

A. Yes. RapidHair™ can be used on permed or straightened hair. We recommend using a hair care system that is specifically designed for chemically treated hair alongside RapidHair™ to better maintain the desired appearance of permed or straightened hair.

**Q. Can I use styling products and/or tools with RapidHair™?**

A. Yes. Styling products and/or tools can be used as usual when using RapidHair™.

**Q. Can I use RapidHair™ if I wear hair extensions?**

A. Yes. RapidHair™ contains a wonderful blend of nourishing ingredients that can be beneficial while wearing hair extensions.

**Q. Can I use RapidHair™ if I am pregnant or breast-feeding?**

A. We recommend that you discuss use of this product with your doctor if you are pregnant or breast-feeding.

**Q. Can men use RapidHair™?**

A. The product has not been tested on men. Therefore we cannot guarantee men will experience the same wonderful results as the women who participated in the consumer study.

**Q. Can RapidHair™ be used on children under the age of 18?**

A. No. We do not recommend using RapidHair™ on children under the age of 18 as we have not conducted testing for this age group.

**Q. How long does it take to see an improvement in the appearance of my hair?**

A. Consumers have reported that it takes approximately 60 days to see a noticeable improvement in the appearance of fuller-looking hair. For best results in maintaining voluminous-looking hair, it is recommended to make RapidHair™ a regular part of your daily hair care routine.
