

## Ask Sara: Beauty Products

February 24, 2016

If you're not a [TCL Facebook](#) fan yet, you are missing out. Thanks to the magic of live Facebook videos, we are now able to connect with viewers all the time -- meaning the show doesn't stop. On a recent Live video, Twin Cities Live Reporter Kelli Hanson sat down with our Beauty Guru, Sara Bartlett, to answer your beauty questions. Sara stopped by our studio to answer a few of those questions.

1. Margaret from Maplewood asks, "What can be done about thinning lashes or brows?"
  - + Peptides can help with hair re-growth; especially copper peptides
  - + Sara Recommends: [RapidLash](#)
