HAIR VOLUMIZING FORMULA

## WHAT IS IT?

RapidHair<sup>®</sup> **Hair Volumizing Formula** is an innovative leave-in foam conditioner that helps bond nutrients to hair and revive its youthful, voluminous appearance in just **60 days**.

## WHO IS IT FOR?

RapidHair<sup>®</sup> is recommended for women who are looking to enhance the appearance of their hair. It is developed specifically for women with thinning hair.

## HOW IS IT USED?

RapidHair<sup>®</sup> is applied once daily, after washing and conditioning or directly onto dry scalp, preferably at bedtime. Dispense two pumps of product and massage briskly onto scalp. For best results it is recommended to use RapidHair<sup>®</sup> for 8-12 weeks.

## WHAT IS IN IT?

RapidHair<sup>®</sup> is formulated with **Hexatein<sup>®</sup> 4 Complex**, a proprietary blend of hair enhancing, nourishing and revitalizing ingredients, specifically designed to help revive the appearance of hair and invigorate the scalp. This blend, unique to RapidHair<sup>®</sup>, helps awaken the youthful softness and sheen of hair, enhance its resilience, and promote the appearance of volume and brilliance.

**POLYPEPTIDES**, help promote the appearance of fullness and volume due to their incredible hair enhancing benefits, small particle size and highly effective absorption rate

**BIOTIN** (Pro-vitamin B7 / Vitamin H / Coenzyme R), an essential factor in maintaining beautiful, voluminous appearance of stronger-looking hair

**PANTHENOL** (Vitamin B5) helps coat the hair shaft and seal in long-lasting moisture and nourishment as well as provide hydrating and conditioning benefits to the scalp

**SILK AMINO ACID** from pure silk fibers, help bind moisture into the hair shaft leaving it soft, supple, and silky to the touch, and improve the resilience of hair, resulting in stronger-looking locks

**SWEET ALMOND EXTRACT**, provides a film-forming effect that smoothes the hair fiber leaving it soft, shiny and brilliant, plus helps improve hair manageability

**NIACINAMIDE**, (Vitamin B3) helps enhance moisture retention and invigorate the scalp while promoting the appearance of vitality and volume
