

# RapidLash<sup>®</sup> MD

EYELASH ENHANCING SERUM

## WHAT IS IT?

RapidLash<sup>®</sup> **Eyelash Enhancing Serum** is an award-winning formula that helps boost the appearance of eyelashes, making them appear brilliantly beautiful in just 30 days.

## WHO IS IT FOR?

RapidLash<sup>®</sup> is recommended for women and men who are looking to enhance the appearance of their eyelashes. It is suitable for contact lens wearers and can be used with eyelash extensions.

## HOW IS IT USED?

RapidLash<sup>®</sup> is applied once daily, preferably at bedtime, to the base of the upper eyelashes using the fine-tip applicator brush. For best results it is recommended to use RapidLash<sup>®</sup> for 4-8 weeks.

## WHAT IS IN IT?

RapidLash<sup>®</sup> is formulated with **Hexatein<sup>®</sup> 1 Complex**, a unique blend of lash enhancing, conditioning, and fortifying ingredients, specifically designed to target eyelashes from every angle. This blend, exclusive to RapidLash<sup>®</sup>, helps promote lash durability, shine, sheen and overall healthier-looking appearance of eyelashes.

**POLYPEPTIDES**, comprised of beneficial amino acids, help protect against breakage and support flawless appearance of lashes

**BIOTIN** (Pro-vitamin B7 / Vitamin H / Coenzyme R), an essential factor in maintaining healthier-looking, youthful lashes

**PANTHENOL** (Vitamin B5) helps coat the lashes and seal in moisture and nourishment for improved overall appearance

**AMINO ACIDS** help replenish the building blocks of lash hair by boosting the protein structure and resulting in healthier-looking appearance of lashes

**SOYBEAN OIL**, rich in vitamins, helps impart sheen and luster to lashes making them appear lush and beautiful

**PUMPKIN SEED EXTRACT**, high in zinc, EFAs, amino acids, vitamins and phytosterols, helps balance and enhance luscious appearance of lashes

**SUGGESTED RETAIL PRICE:** \$49.95 / €50.00 / £39.99
