

15 Best Eyelash Serums for Your Longest Lashes Ever

By Ruby Buddemeyer and Carly Cardellino
July 9, 2020

The best thing about having short or stubby eyelashes is that you've got a *lot* of options when it comes to enhancing them. Between [falsies](#), [mascaras](#), [extensions](#), and [lifts](#), you're basically guaranteed to find a lash product that you love. But if you're hoping to find something that'll ~permanently~ lengthen and volumize your lashes, you've definitely considered investing in an eyelash serum (aka a **clear mascara that blast your lashes with hydrating and conditioning ingredients**, leaving them looking thicker and fuller over time). That's why I went ahead and found out everything you should (and shouldn't) expect when it comes to serums, along with the very best eyelash serums to shop right TF now.
